Parent Information....

Communication

UCS supports electronic communication as a very effective way to communicate with our families through email news updates, electronic phone calls, and text messages. Please be certain that your email address is up to date and your phone numbers are current, so that you can receive valuable and timely school information.

PowerSchool Parent Portal

If you do not have access to PowerSchool Parent Portal, please stop into the school office to pick up the login information between 9:00 and 2:00 p.m. Parent Portal is the key to receiving student academic updates: progress reports and report cards.

Positive Behavior Support and The Elementary School Parent and Student Handbook... Please take time each day to discuss with your child their school day and celebrate the successes and reinforce positive behavior choices. Know that the teachers, staff, and I continue to work with the children on creating a safe, healthy, and positive learning experience for all children. Please continue to spend time reviewing the handbook with your child. Should you have any questions or need clarification please do not hesitate to contact the office at 586-797-6000.

Recess and Cold Weather Wear... Please make sure your child is dressed properly for the cold weather: coat, hat, gloves, scarves, snow pants, and boots. The children go outside for recess all winter long as the temperature permits.

Plumbrook Parking Lot Procedures

Just a reminder to **park only in designated parking spaces**. Be remember not to park, stand, or wait for students in the bus lane or the yellow stripped parking spaces. The orange cones in the yellow stripped bus lane designate the beginning of the drop-off/pick-up lane for easy student drop off/pick up before/after school.

At the end of the school day, we ask that parents park their vehicles in the school lot and walk up to their child's exit door to safely walk their child to their vehicle. If you leave your car for any reason, please remember to turn off the car and take your keys. **Please drive with extreme caution** as students and parents are crossing the parking lot.

Should your child need to be dismissed early, please let their teacher know in advance if possible. It will be necessary for you to report to the school office and sign your child out. At that time, your child will be called down to the office for dismissal. Should your child return to school the same day it will be necessary to come into the office and sign them back in.

Administration of Medicine

Parents should administer medication to their children at home. If this is not possible, the school may administer their prescription or non-prescription medicine **only** when authorized by the student's parent/guardian. Requests must be made by completing an Authorization for Medication form available in the office and signed by a physician.

As a part of the Utica Community Schools, we hold high expectations regarding the success and achievement of all our students. Our staff strives to provide the most positive learning environment possible for academic, social, and behavioral growth. We value a strong partnership between home and school based on two-way communication, cooperation, and trust.

Please do not hesitate to stop in or call if you have a question, concern, or would like to support any of the activities planned for this year. By working together as a team this will be a very successful school year for all our children.

Classroom Holiday Parties.... It is a tradition at Plumbrook to end December with a Classroom Holiday Party. Please check with your child's teacher on the date and details.
